

ROCK LD?

Are you a UK based Lighting Designer
with a Rock 'n' Roll Tour currently
or shortly touring the UK?

Why not enter your design for the
Rock 'n' Roll section of the

AWARDS FOR THE KNIGHT OF ILLUMINATION

IN ASSOCIATION WITH

SPONSORED BY CLAY PAKY

There are two categories to enter your Rock 'n' Roll lighting design, 'STAGE' or 'ARENA'. To qualify you must be based in the UK and the show must be touring in the UK between now and April 2008 to give the judges the opportunity to view it.

You should indicate which category you wish to enter and write a short explanation of why your design is worthy of an award. You should also provide half a dozen photos and be prepared to provide access to the show for the award judges.

To enter simply e-mail your nomination to
rockawards@knight-of-illumination.com
and we will inform you how to enter.

Don't miss out on these new awards as they are intended to recognise all Lighting Designers including those whose work may not currently be covered by mainstream Lighting industry awards.
